
Duntower **Beef**

Committed to Providing Quality Products and Services

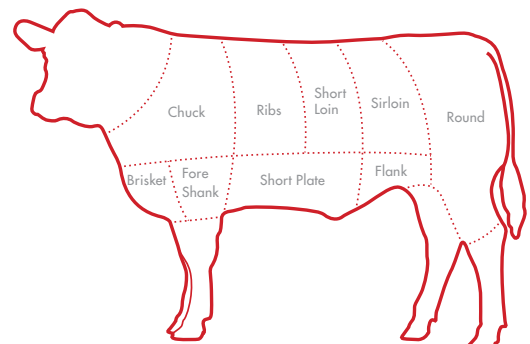

Duntower Beef

We mainly specialize in the production and supply of beef from Argentina, Uruguay, Paraguay, and Brazil worldwide.

These countries maintain long traditions of fine breeding such as Aberdeen Angus, Hereford, and Shorthorn cattle breeds. Worldwide recognized for its taste, tender and texture, these beef products achieve the highest Sanitary/Health level. Furthermore, we develop grain-fed animal production for those markets which require these kinds of products.

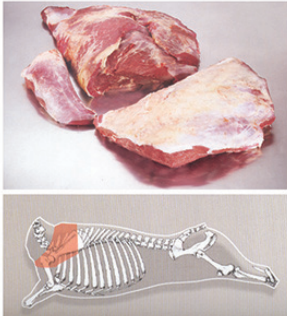

DUNTOWER BEEF works with processing plants that are constantly investing to achieve the highest quality in its processes. By incorporating systems and certifications, our industry continues gaining markets in world trade of meat.
